(1) **New registration**: new applications for asylum during the reporting period including Syrians.

(2) **Reactivation**: includes persons whose case was closed for any of the reasons mentioned in (3) and return to UNHCR office to renew their certificate on the basis of a reasonable justification.

(3) **Other closure**: persons for whom a final rejection has been issued after the RSD procedure; persons who have abandoned their asylum application prior to final decision on their status; persons who have not been in contact with UNHCR office after the expiry date of their certificate; persons who have departed spontaneously from Morocco to another country or to their country of origin.

(4) **Refugee figure**: includes persons for whom UNHCR has made a positive determination on their refugee claim and who are pending review of their case by the ad hoc Commission on Regularisation chaired by the Ministry of Foreign Affairs and Cooperation; and those who need an international protection and not undergoing RSD.

(5) **Recognition figure**: see footnote 4.

(6) **Pending interview figure**: The Syrians and Yemenites population are not included in this column, because they are not undergoing RSD.
